TIME'S UP Foundation

Time's Up, Measure Up

REQUEST FOR PROPOSALS

Application Form

———

Thank you for your interest in the *Time's Up, Measure Up* research grantmaking program. To apply, please follow the instructions below. **In addition to completing the fillable form below**, completed applications should include the following:

- Project proposal (2,000 words and 2 graphs max; graphs do not count towards word count):
    - o Suggested research project
    - o Relevance to *Time's Up, Measure Up* mission
    - o Contribution to knowledge base on women in the COVID-19 pandemic
    - o Methodological approach, including research design and data sources
        - • Applicants should clarify:
            - ▪ How their research will disaggregate data and analysis by race, gender, class, and other identity markers
            - ▪ How they plan on taking an intersectional approach in their work
    - o Timeline for completion, project milestones with specific dates, and proposed progress measures
- Budget template
- Budget narrative explaining how the funds will be used (750 words max)
- Fringe benefits policy statement
- Fiscal sponsorship letter from funding organization (if necessary)

File conventions
The project proposal and budget narrative should be submitted as PDF documents. All files should be named using the following format: TUMURFP 2_[Document type]_[Institution name]_[Head principal investigator last name] (e.g., TUMURFP 2_Budget narrative_Columbia_Smith.

RFP Submissions

Please submit the application materials by Tuesday, November 16, 2021, at 11:59 p.m. EDT.

Please send all materials tumu.researchgrants@timesupnow.org. Please check our FAQ section for commonly asked questions before reaching out to the Research Grants email account.

Demographics (optional)

The TIME'S UP Foundation is committed to creating a diverse, inclusive community of researchers dedicated to tackling gender and racial inequity. As such, we ask that you provide basic demographic information. Personally identifiable information will not be shared externally, and we will only provide relevant stakeholders with aggregate data as needed.

Race/Ethnicity (check all that apply):

Asian/Asian American   Black/African American
Indigenous   Latinx
Middle Eastern/ North African   Native Hawaiian/Pacific Islander
White/Caucasian   Other (please specify)

Gender Identity *(e.g. transgender man, cisgender female, non-binary, etc.)*

Sexual Orientation *(e.g. heterosexual, homosexual, pansexual, etc.)*

Disability

Please list any disabilities that you wish to share. This includes both visible (e.g. multiple sclerosis) and invisible disabilities (e.g. mental health conditions).

ADDITIONAL INFORMATION

Please provide your team members' full names, titles, institution(s), and email addresses. Please also provide the optional demographics above, i.e. race/ethnicity, gender identity, sexual orientation, and disability under each person's information.

Discipline (check all that apply):

Law   Policy/advocacy
Economics   Sociology
Political Science   Psychology
Other (please specify)

Region
Please choose the region where the majority of your team is located. If international, please select "Other" and specify country.

Northeast   Midwest
South   West
Other (please specify)

Link to Head PI's Profile/Curriculum Vitae

Please email a PDF version of the PI's CV if not available online.

Please provide links to up to 3 articles or web pages about you and/or your work (e.g. recent evaluations, scholarly articles, or media mentions)
Optional

1.

2.

3.

PROJECT DETAILS

Title of Proposal

Project Summary (*1900 characters max incl. spaces*)

Projected Start and End Dates   -

Is this a continuation of an existing initiative?

Yes   No

If yes, please specify:

Please provide answers to the following four questions (*1900 characters max incl. spaces per question*).

How do you envision that your work will improve policy and practice for marginalized women?

What resources does your team currently have, and what additional resources are needed for a successful partnership?

Are there any potential constraints on this project? If so, are they due to COVID or other factors?

Have you worked with worker advocates or other community members in the past in conducting your research? If so, please describe.
